## Last GC HS January Class To Graduate

62 To Get Diplomas During Commencement Program This Evening

The final mid-year graduating class will participate in commencement exercises at 8 o'clock tonight at Granite City high school. Diplomas will be awarded to 62 members of the January 1963 class.

Speakers during the ceremonies in the school auditorium will be Miss Lois Medlin, valedictorian; Miss Carolyn McKown, salutatorian; Richard Capeland, class president; and George F. Brock, principal of West senior high school, Aurora, Ill.

Brock will discuss "The Ultimate Weapon." Miss Medlin will talk on "Our Eyes Are on the Stars," and Miss McKown will speak on "We Found the Way." Copeland's topic will be "Thank You."

Special music will be presented by the GC HS band, and a vocal ensemble will present "Agnus Dei" and "There is a Lady." The band also will play for the senior procession and recessional.

Principal Superintendent Principal Lawrence C. McCauley will present the class to toast Harold M. Kaiser, who will present it. Dr. Robert N. Spengler, president of the board of education, for presentation of diplomas.

The audience will sing the national anthem, and the invocation and benediction will be offered by Rev. William J. Spengler, pastor of the Cedarview Baptist Church.

The band will be directed by Louis Meek and the vocal music.

## Robin Spotted This Morning At Feeder

He was here today—but will he be here tomorrow? A fat, shivering robin red breast was spotted this morning about 7:30 at a bird-feeding station in the vicinity of Wilson Park.

The temperature at that time was about three degrees above zero with prospects of a "warmer" 20 degrees predicted.

Weathermen declined to answer the Press-Record's question whether the appearance of the robin was an indication of an early spring.

David Rudy Uherick, 10, saw a robin on the front porch of his home yesterday and showed it to his parents, Mr. and Mrs. Rudolph Uherick. They live at 2035 McCauley avenue, Madison. The bird drank from an area where snow had melted and then flew away.

## Board, Teachers Far Apart; Issue New Statements

New statements of position were announced during the weekend by the Granite City school board and American Federation of Teachers Local 743, which remain far apart on the salary issue.

Mrs. Helen Bjorkman, head of the local's salary and policy committee, said nearly 260 teachers Thursday afternoon rejected a \$22-\$16 two-year monthly pay raise offer. They voted with national and state AFT leaders in the Granite City AFT school auditorium.

Mrs. Bjorkman said the group favored continued avoidance of "drastic action," a work stoppage. The local used a strike to obtain its last two-year agreement on the last day of school in June 1960, but would be subject to an injunction requiring a return to work. Each teacher has an individual contract despite the absence of an agreement with the local, which represents part of the faculty.

Since the board is the final authority, there is no direct way to increase pay, she said. It makes. However, the local has been active in recent board elections, another of which will take place April 15.

## Freezing Weather Causes Problems

Water Co. Works Extra Crews To Fix Frozen Meters—40-50 A Day

Prolonged sub-freezing temperature is taking its toll in the Quad-Cities.

Not only have motorists encountered repeated difficulties in getting their auto started, but the normal frost line has been exceeded and halting water service at many homes. Hazardous street conditions caused 30 traffic accidents in which seven persons were injured.

An official of the East St. Louis & Interurban Water Co. said extra crews have been called out and three crews were on the job over the weekend to repair frozen meters that had broken.

Excessive water meter and water line freezes began last Thursday and have averaged 40 to 50 a day in the Quad-Cities area. "Normally we work one crew at this time of year, but we've had to call out extras and keep them on the job over the weekend," the water company spokesman said.

"I'd like to give a bit of advice," he added. "If your meter is frozen, don't take the cover off. That will permit whatever warmth there is inside the box to escape and cause added damage and delay in repairs. If your service is frozen, call us and we'll make the repairs as soon as we can," the official said.

Record consumption of gas and electricity is reported by Illinois Power Co., but ample supplies remain on hand.

2½-inch snow Saturday. Saturday's snow was measured at 2½ inches at the gauge maintained by the U. S. Army Corps of Engineers at the Chain of Rocks canal locks.

Street crews in local municipalities were on the job again, spreading mixtures of cinders and salt at busy intersections.

GRANITE CITY'S INDUSTRY provides a backdrop for sleds taking advantage of the weekend's snow and the slope on the levee at the Chain of Rocks canal locks yesterday afternoon. A brisk wind and subzero temperature kept the usual crowd of sleds at a minimum.

## Shorter, Simpler Zoning Plan Going To County Board

A simplified, shortened zoning plan is being prepared for consideration of the Madison County Board of Supervisors following final zoning Commission meeting Thursday afternoon at the county courthouse.

The commission completed its rulings on requested changes, accepting most of them. The firm of Evert Kincaid and Associates was asked to prepare revised maps and copies of the revised ordinance proposal ready by next week.

New maps and ordinance wording relating to each township will be forwarded to the supervisors and assistant supervisors of the various townships in early February to afford time to study them. A vote on adoption of zoning is expected to take place at the Feb. 20 board meeting.

Commission Vice-Chairman Howard Kaseberg, who met Thursday with Zoning Commissioners Edwin G. Schmitt, Joseph Wickelmaier and Harry Kluge, said several sweeping alterations in the zoning plan were authorized.

Manufacturing performance standards were altered, with manufacturing zone classifications reduced from three to two.

Police Still Seek Clues In 3rd Stickup; Other Thefts Reported In Area

Five persons, including three teenagers and a woman, were charged with armed robbery Saturday in connection with holdups of women at two shops in Granite City.

Police are seeking the perpetrators, who were charged with the Golden Krip Doughnut Shop, 2168 Washington avenue, last Tuesday night.

Garth Beaton, 19, of 2237 Grand avenue, his brother Raymond Beaton, 16, same address, and Robert Fort, 21, of 3802 Kirkpatrick Homes, are accused of holding up the Golden Krip Doughnut Shop, 2168 Washington avenue, last Tuesday night.

Two of the three allegedly entered the store and robbed Mrs. Esther Thompson and Miss Sandra Lee of \$50 after threatening them with a shotgun. The third apparently acted as a lookout.

### Directors Elected By East Side Mfgs.

Eight newly-elected directors of the East Side Manufacturers' Association were introduced to the membership at the annual meeting Thursday night at the Missouri Athletic Club. There were 80 present.

They are Paul Foster, General Steel Industries, Inc.; N. R. Brink, A. O. Smith Corp.; A. R. Schweighauser, Laclede Steel Co.; L. F. Gerst, National Lead Co.; L. F. Galey, Granite City Steel Co.; John McBride, Union Starch and Refining Co.; A. P. Steinhilber, American Steel Foundries; T. M. Stinson, Nesco Steel Barrel Co.

G. W. Hoelscher, secretary and general manager of the association for 27 years, reviewed business and community activities in which the group participated last year. He is retiring at the end of 1963 and he thanked the association for the assistance and cooperation he had been given in performing his duties.

President Schweighauser introduced Hoelscher's son, William F. Hoelscher, who is now assistant manager of the association and will succeed to the membership Jan. 1, 1964.

Others introduced were A. W. Buehner, Johns-Manville Corp., a new member, and the following newcomers to the industrial community and special guests: George W. Schierberg, retired president of Granite City Steel Co.; C. H. Walcher, retired works manager of American Steel Foundries; G. R. Clarke and O. L. Krueger, retired Laclede Steel Co. plant executives; E. D. Wellman, general manager of the Nestle Co., Inc.; Fred Bolen, National Lead Co.; T. F. Bensinger, general manager of Owens Illinois Co. Madison plant, and John R. Parker, vice-president of the automotive division of A. O. Smith Corp., Milwaukee.

Directors of the association will meet in February to elect officers.

### Charles Michaels Dies At 90; Missouri Rites

Charles Michaels, 90, a retired railroad worker, died about 12:30 p.m. Thursday at his home at 2202 (rear) Illinois avenue. He had been under medical care.

Mr. Michaels had been a Granite City resident for two years. He was born at Summit, Ill., but had made his home at Mountain View, Mo., before coming here. He is survived by his wife, Lulu; two daughters, Mrs. J. L. (Edna) Earls of Granite City and Mrs. M. C. (Dolores) Sanders of Dupon; 11 grandchildren and 12 great-grandchildren.

Funeral services were conducted yesterday at Mountain View cemetery, with interment in Mountain View cemetery. An obituary notice appears elsewhere in this issue.

### Driver Posts Bail

Lester C. Flanery, 2909 Cayuga, was charged Thursday evening with leaving the scene of an accident. He posted \$31 cash bail. Flanery is accused of striking the auto of Larry Arbogast, 2221 Terminal avenue, last Monday afternoon as it was parked in the 1700 block of Spruce street.

## Sternberg Named Boy Scout Council President 3rd Year

Gene H. Sternberg, civic leader and president of the G. H. Sternberg and Co. contracting firm, again was elected as president of the Cahokia Mound Council, Boy Scouts of America, at the council's 43rd annual meeting here Thursday night.

Sternberg who was elected to his third successful term as council president formerly was Boy Scout and Unihw district chairman.

John McBride, vice-president and general manager of Union Starch and Refining Co., was elected to his third term as council vice-president. Other council vice-presidents named were Raymond Rogers, mayor of Edwardsville, and Dr. M. W. Grimm, president of the Collinsville school board.

**Belink Treasurer**  
Nicholas Brink, plant manager of the A. O. Smith Corp., was elected as treasurer. Brink has been a member of the executive board and vice chairman of the finance committee. He replaces Henry Fichte, who passed away Jan. 12.

Rollin Henn was elected as council scout commissioners for the tenth successive year. Henn has been an active scout leader many years and was scoutmaster of the troop to which Sternberg belonged.

Probate Judge Austin Lewis, a past president, installed the newly-elected officers and presented them with a special scout insignia. Milton Allen, past president, conducted the election. Henry D. Karandjef, also past president, was chairman of the nominating committee. The report of this committee was presented by Robert Simon, committee member from Edwardsville.

**Regulations Adopted**  
Vice-President Rogers was chairman of the program and resolutions committee. Special resolutions adopted by the council members recognized the Granite City Press-Record in appreciation of its support and cooperation in publicizing scout news and information; Radio Station WGNU and institutions and volunteer leaders in appreciation of their efforts to further scouting in the community.

The council in a resolution pledged its continued support of the Tri-City United Fund to "achieve adequate objectives and meet the needs of a rapidly changing world society."

**Honor Jayces, Depot**  
A certificate of appreciation was accepted by Al Barnes III on behalf of the Granite City Jaycees for their interest in the extension of scouting to new institutions in the area.

Col. John Ansley, commanding officer of the Granite City Army Depot, accepted a certificate of appreciation to the Army Depot for its cooperation in providing facilities and services for both district and council events.

Carpenters Local 633 received a certificate of appreciation for providing the use of Carpenters Hall for district roundtables, training courses and special meetings. Other certificates of appreciation were presented to the Highland Jaycees and the Teepee in Collinsville.

Special recognition was given to members of the council for leadership given United Funds and scout finance campaigns. McBride was recognized for "dynamic leadership" as campaign chairman of the Tri-City United Fund; William Shindel and Simon for their efforts in organizing the Edwardsville United Fund; and Floyd McCracken, Bond County district campaign chairman, Eugene Brown, High-

land Hardware store at Belleme Village shopping center, where Hodge plans to work upon his release.

Hodge, former state auditor, entered the prison Aug. 20, 1956, to serve a 12-15 year term for stealing over \$1,000,000 state funds. Gov. Kerner last month reduced the sentence making Hodge eligible for parole now instead of next November.

Ice in the canal has become eight to 10 inches in places.

## Crime Declined In Madison In '62, Police Report Shows

The number of known criminal offenses in Madison decreased sharply in 1962 in comparison to the previous year, the annual report of the police department shows.

There were 192 offenses compared to 247 in 1961. By classification the crimes included one criminal homicide (unchanged), one rape (unchanged), six robberies (up four), four aggravated assaults (down one), 16 burglaries (down four), 16 larcenies of over \$50 (down 43) and 18 auto thefts (down five).

Five false or unfounded reports of crimes also were investigated.

Of the 192 actual crimes, 32% or 61 were cleared by arrests. A total of 349 persons were arrested and held for prosecution. Of these, 302 were guilty of the offenses charged and 10 were guilty of lesser offenses. Thirty were acquitted or otherwise dismissed, four were referred to juvenile court jurisdiction and three are either pending or have been transferred to another jurisdiction for prosecution.

Convictions of adults were as follows:

One for murder, one for robbery, three for burglary, 21 for larceny, 36 for assault, one for embezzlement or fraud, eight for weapons offenses, two for sex offenses, two for liquor law violations, eight for drunkenness, 36 for disorderly conduct, one for driving while intoxicated, 110 for driving offenses, 27 for parking violations, 31 for other motor vehicle violations, and 14 for other miscellaneous offenses.

Charged with the following offenses, the numbers indicated were convicted of lesser offenses:

Forcible rape, one; aggravated assault, three; auto theft, three; weapons violations, one; and other miscellaneous offenses, two.

The police department booked 875 persons in 1962. Sixty-seven juvenile violators were handled; there were 244 motor vehicle accidents, including 45 personal injury accidents; 384 dogs were handled by the humane officer and 42 persons were bitten by dogs. The city had no rabid dogs during the year.

A copy of the report will be sent to the Department of Justice in Washington to be included in the national compilation of crime statistics.

### Rites Today For Steve Ignatz, 83

Funeral services were held this morning at St. Cecilia Catholic Church in Glen Carbon for Steve Ignatz, retired farm laborer who died Thursday morning at St. Elizabeth Hospital.

Mr. Ignatz, 83, had been a patient at the Madison Nursing Home since last July. He was hospitalized six days before his death.

He is survived by a son, Edward, of Taylor, Mich.; two daughters, Mrs. Joseph (Mary) Kristian of Lincoln Park, Mich., and Mrs. Frank Onesky of Allen Park, Mich., and several grand children.

Burial was in Calvary Cemetery near Edwardsville. A complete obituary notice appears elsewhere in this issue.

### Volunteers Needed For Annual Mothers March

More volunteer workers are needed for the annual "Mothers March" for the March of Dimes to be held on Thursday night, Mrs. Max Merz, chairman, said today.

The volunteers will collect for the March of Dimes from door-to-door Thursday, and those wishing to contribute are asked to leave their porch lights burning.

Mrs. Merz, who lives at 4113 Maryville road, urged all women to be in the Quad-Cities who would like to assist to call her as soon as possible.

Slogan of the 1963 March of Dimes — the 25th annual fund raising campaign conducted by the National Foundation is "Give... for the life of a child."

### Auto Forced Into Other

Baldemar R. Satturo, 21, of 1229 Robin street, Venice, reported to police he was cut off by another auto and skidded on the slippery pavement about 7:30 p.m. Thursday, striking a parked car. The accident occurred in the 1600 block of Madison avenue. According to police, Satturo was unable to locate the owner of the parked auto.

### Clarence O'Neill, 70, Succumbs At Home

Clarence H. O'Neill, 70, of 2453 Hodges avenue, died at 10:30 p.m. Friday at his home. He had been in declining health for five years and more seriously ill for the past two months.

Born at White Hall, Mr. O'Neill had been a Granite City resident since 1909. He retired in 1957 from the National Lead Co., where he was a tool and die maker.

Mr. O'Neill is survived by his wife, Lucy; two brothers, Bryan of Madison and Leroy of McClelland, Miss.; and two sisters, Mrs. Ethel Smith and Mrs. Ruby Olive of Granite City.

A brother, Earl, and a sister, Mrs. Helen Brazier, both of Granite City, preceded him in death.

Funeral services were conducted this afternoon with interment in St. John's cemetery.

An obituary notice appears elsewhere in this issue.

## Gallery For Original Artworks To Open Here

Richelieu Art Gallery, which will display the works of experienced artists of the Quad-City area, will open Friday at 1831 Delmar avenue, it was announced today.

It will be operated by Mr. and Mrs. Richard Neumann, Granite City, who also are moving their Christian Book Store there. Mrs. Bonnie Fuller, Granite City artist, will assist in operation of the gallery.

Works by Mrs. Fuller, Mrs. Maxine Littlejohn, Gilbert Singleton and Dallas Hicks will be shown initially, and displays of artworks available for purchase will be changed each month. Included will be sculpture, drawings, water colors and oil paintings, both realistic and abstract.

While plans do not involve art students of local schools, they will be considered for participation following graduation from school, Mrs. Fuller said. She emphasized that there will be an emphasis on "mature works of an original nature" by Quad-Cityans; amateurish efforts will not be shown.

Aside from school programs and displays at the Granite City library, art opportunities locally have been limited, Mrs. Fuller said, adding that it is hoped the gallery will help stimulate widespread interest in the field.

property owners were authorized to continue to farm on land for which they have obtained reclassification as residential; and a non-conforming designation for structures assessed at less than \$500 was eliminated; and restrictions on signboards were eased except in non-conforming locations. Definitions were moved from the body of the ordinance to an appendix. Commissioners described the revisions as eliminating all fundamental objections to zoning while at the same time retaining basic provisions which will protect property values and encourage orderly growth and development of unincorporated areas.

## Separate Weekend Fails

### Hospitalize Woman, Boy

Neoma Hamilton, 65, of 3017 Washington avenue was released this morning from St. Elizabeth Hospital, where she was admitted Saturday afternoon with arm and head injuries sustained in a fall Saturday afternoon in her bedroom.

Among those admitted to the hospital yesterday was Jerry Mercer, four, of 3315 Wabash avenue. He was held for observation after he was knocked momentarily unconscious in a fall down steps. He underwent skull x-rays.

## Eight Peace Corps Tests

Eight tests were administered to Peace Corps applicants Saturday at the East St. Louis Federal Building. No breakdown was made on the location of their residence within the Illinois Metropolitan Area. They will be considered for assignments to Latin America, Africa, the Far East, Near East and South Asia.

Among those admitted to the hospital yesterday was Jerry Mercer, four, of 3315 Wabash avenue. He was held for observation after he was knocked momentarily unconscious in a fall down steps. He underwent skull x-rays.

## Sacred Heart, Mercer in I-C Fold For 1963

Mercer Funeral Home and the Granite City Sacred Heart will compete in the Southwest Illinois Inter-City Baseball League again this season. Mercer and the Hearts were two of the 10 teams which were selected to field I-C title seekers during a mid-winter I-C meeting yesterday at the Crystal Inn in South Roxana.

About the same player personnel will make up the clubs, which will use the Red and Blue division arrangement again, but at least two will have new sponsors for 1963.

The old McAttee Glass club of East St. Louis will be sponsored by St. Clair Heating Co., and last year's Roxana Merchants will be known as the Alt-Wood Flyers, but will continue to play home games in Roxana.

Managers approved a 22-game schedule, the same as last year's and set Sunday, April 21, as opening date.

A proposal to play holiday contests on Memorial Day was defeated.

Representatives will hold their next meeting in East St. Louis on Sunday, Feb. 17, at 8 p.m. to discuss the selection of a date and site for the annual I-C all-star game.

## Accident On Madison

Guy R. McKinney, 35, of 2027 Sherman street, and Leon Whitley, 38, of 525 Meridiana street, were involved in an accident about 8:10 p.m. Friday at Madison avenue and 20th street. Police said McKinney was driving south and making a left turn onto 20th street. Whitley was going north.

## Notices Sent Creditors

### Of I. Holtzman, Inc.

Notices are being received today from a St. Louis law firm that I. Holtzman, Inc., a corporation which operates Peer's Shop, 1300 Nineteenth street, is unable to meet debts, and by a resolution of the firm's board of directors has made an assignment for the benefit of creditors to the law firm.

The local store was closed last Monday.

The trustees, Kramer, Chused & Kramer, have determined that the firm, which operates four stores in Illinois, one in Missouri and one in Iowa as well as a warehouse in St. Louis, has liabilities in the area of \$150,000, of which about \$54,000 is due to banks.

Assets consist of merchandise in the stores and warehouse, valued at \$31,000, fixtures and leasehold improvements valued at \$17,000 and other assets worth \$300.

The trustees have hired an appraiser and when his work is finished will work out a method of selling the assets.

Creditors are requested to send statements of their accounts to the law firm at 722 Chestnut street, St. Louis.

The firm's other stores are in Marion, Mo., Vernon and Carbondale, Ill., Hannibal, Mo., and Burlington, Ia.

Mrs. Charles Hanks is the advisor.

Mrs. Marty Herman, Junior Youth director, discussed the goals of the club and refreshments were served to 34 members and their mothers. There was an interlude of piano music while the guests were being served refreshments by a social committee composed of Mary Harris, Robyn Robertson, Debbie Jackson, Christie Dufner and Linda Woods and the closing prayer was by Rev. Frank Pierce of the N. A. M. E. O. K. Methodist Church.

THE USER CORP. consisted of Tom Nimmo and Gilbert Karika of East St. Louis, Ray Weger, William Eaton and Ray Delbert, fraternity brothers.

Preceding the double-ring service there was a program of wedding music by Richard Judd, soloist, accompanied by Mrs.

### Miss Margaret Ann Holland And Ronald E. Pennell Wed

Arrangements of white flowers and greenery decorated Sacred Heart Catholic Church Saturday afternoon for one of the largest of the winter weddings, that of Miss Margaret Anne Holland and Ronald Eugene Pennell.

The bride is a daughter of Mr. and Mrs. James G. Holland, 2637 Cleveland blvd. Mr. Pennell's parents are Mr. and Mrs. Russell Pennell, 5836 Portland place, East St. Louis.

Mrs. Michael Costello performed the ceremony at 3 o'clock.

The bridal party approached the altar down the white-carpeted aisle marked with tall standards holding lighted candles adorned with white satin bows and shielded with hurricane globes.

Mr. Holland escorted his daughter and gave her in marriage. Her gown was made of tulle and re-embroidered Alencon lace lavishly beaded with tiny seed pearls. It was designed with a lace bodice, an oval neckline and short sleeves. The voluminous tulle skirt swept into a court train. A bouffant silk illusion veil was caught to the bride's hair with a crown of imported orange blossoms, and white orchids and Stephanotis were combined in the bridal bouquet.

The attendants were attired in identical gowns of peacock blue dehuasted stain. Cocktail length, they were made with rounded necklines and short sleeves. Deep pleated folds in the back ended in short trains. Matching headpieces of dehuasted satin rose petals and maline veils accented the costumes. They carried bouquets of white gladioli tied with peacock blue ribbon.

Mrs. Robert Deaton and Miss Martha Anne Little were matron and maid of honor, respectively. The bridesmaids were Miss Linda Pennell, the bridegroom's sister, Miss Judith Karika and two cousins of the bride from Richmond, Va., Miss Ruth Anne and Miss Barbara Robertson.

Preston Holdner was best man for Mr. Pennell, and James L. Holland, the bride's brother, Raymond Robertson of Virginia, another cousin of the bride, David Eberhart of Edwardsville, Jerry Brinary of Charleston, Ill., Victor Meckitas of East St. Louis, fraternity brothers of the bridegroom, served as groomsmen.

The usher corps consisted of Tom Nimmo and Gilbert Karika of East St. Louis, Ray Weger, William Eaton and Ray Delbert, fraternity brothers.

Preceding the double-ring service there was a program of wedding music by Richard Judd, soloist, accompanied by Mrs.

Margaret Crawshaw, church organist.

The bride's mother wore a powder blue lace and chiffon dress with matching accessories, while the bridegroom's mother appeared in green lace and chiffon. Both had gardenia corsages. Mrs. Louis Ortiger, maternal grandmother of the bride, was in green lace with a corsage of pink roses. Her paternal grandmother, Mrs. J. G. Holland sr., selected a dress of white lace complemented with white roses.

Mr. and Mrs. Holland gave the wedding reception in the Crystal Room of Hotel Sheraton Jefferson, St. Louis, directly after the ceremony. A young cousin of the bride, Ann Holland Grossman of Ladue, was in charge of the guest book.

The bride and groom, students at Eastern Illinois University in Charleston, plan to resume their studies. Her gown was made of tulle and re-embroidered Alencon lace lavishly beaded with tiny seed pearls. It was designed with a lace bodice, an oval neckline and short sleeves. The voluminous tulle skirt swept into a court train. A bouffant silk illusion veil was caught to the bride's hair with a crown of imported orange blossoms, and white orchids and Stephanotis were combined in the bridal bouquet.

Among the out-of-town guests here for the wedding and reception, beside those in the wedding party, were the bride's aunt, Mrs. R. B. Robertson and her son, Michael, of Richmond, Va.; Anson S. Holland of Alden, Iowa, a uncle of the bride, the bridegroom's uncle and aunt, Mr. and Mrs. Robert Endris and their sons, Bobby and Kenneth, of Pana, Ill., and a large group of college friends from Charleston. The bridegroom's parents gave the rehearsal dinner Friday evening at the Rose Bowl.

#### ENTERTAIN FOR DAUGHTER'S BIRTHDAY

Mr. and Mrs. Robert Niemeyer, 1709 Spring avenue, entertained guests at a party Saturday evening in honor of the first birthday of their daughter, Jo Ann. Present were Mr. and Mrs. Laurel Spengel and daughter, Karen, Mr. and Mrs. Steve Gar-gac and daughters, Debbie and Laurel, Mr. and Mrs. Leonard Roberts and daughter, Leslie, the guest of honor and her sisters, Annette and Teresa.

#### FORMER RESIDENT ANNOUNCES MARRIAGE

An announcement has been received by Mrs. Louis Van, 3145 Willow avenue, of the recent marriage of her sister-in-law, Mrs. Inogene Welby of Dallas, Tex., formerly of this city, to E. P. Wood of Dallas. The ceremony took place Jan. 19 in Dallas and the couple is residing there.

# Maroons, Alton (!) Knock Warriors Out Of SWC Race

What a difference a day makes.

Granite City's Warriors, playing their hearts out Friday night against Belleville, again came within an eyelash of defeating the state's No. 1-ranked team, but fell far from their collective faces the following evening in Alton against a Redbird team which had not won since Dec. 21.

The weekend was unprofitable in a couple of ways for the Maroons. Friday, Proffitt led to Belleville here Friday night and 7-68 in Alton Saturday, dropped Granite City to 4-4 in the conference standings, eliminating any hopes of Southwest title contention.

Coach Andy Sullivan & Co. lost the services of guard Jim Proffitt for at least a week. On his way to the highest-scoring night of his career against the Maroons Friday, Proffitt twisted a knee in the crucial moments of the game, tried to continue, could not, and finished with 20 points.

## Letless Performance

He did not dress Saturday night at Alton where, despite a stellar 36-point effort by George Moore, Granite City played a letless game against an alert and hungry Alton five which enjoyed perhaps more success with a pressing defense than has any Granite City opponent this season.

The Redbirds swiped the ball, intercepted slipped Granite City passes and in general did a fine job defensively on everybody but Moore, who missed only four times from the field as he recorded his biggest night, scoring 36.

Nobody else could do much right, however. Alton, which had not won at home since it beat defending state champion DeWitt last Dec. 8, got a fine two-way game from guards Darrell McGibany and Cletus Fowler. Saturday's varsity who harassed the Warriors unmercifully and successfully in both back and front court, engineering numerous steals and interceptions to give Alton easy baskets in the evening going through the first three quarters.

## No Substitutions

Alton Coach Herman Edwards used just five players, and each of his iron men came through with 10 points or better, topped by center Earl Dancy's 20.

Dancy was no match for Moore in the scoring department, however, even after GC's 6-1 center had picked up his fourth foul with two minutes remaining in the first half. Big George had to play a careful defensive game in the second half, and Dancy rimmed 14 of his counters under these conditions. Moore picked up 15 in the last two quarters.

Little Glenn Hoffman was the only other GC player with double figures. He hit a couple of key baskets in the closing seconds of the third quarter to cut into a 13-point Alton lead and finished with 10 points.

## Score by quarters:

Alton 19 18 18 16—61  
Granite City 19 15 18 48—50

**GC Out Of Race**  
The Warriors, who have dropped two SWC games to Belleville by a total of six points, were midway through the first quarter but could not match the visitors' experience in the closing seconds.

The 50-41 win for Earl Lee's club boosted Cahokia to the top of the MWC heap with a 3-0 record, and was defending champion Madison's first loss in seven league games this year. It also broke a 26-game MHS winning streak against MWC opponents.

## What now has to be the game of the year in the Southwest Conference.

The opponents on that date are both 7-1 in the SWC. Cahokia's hand-knuckled East St. Louis easily Friday night, 74-45, for its 14th straight win.

Belleville could have been "had" here Friday night, Sullivan fell, but for a couple of bad passes, floor mistakes and mental errors which did not appear too important when they occurred, but loomed large indeed in the final two minutes of play.

But George Moore picked up his third foul with three minutes left until halftime, and Belleville forged ahead to stay on the floor and foul line work of Roger Bechtold and Dave Renn.

## Proffitt's Loss Hurts

Jim Proffitt's loss, floating jumpers kept the Warriors close in the third period, but the Granite guard twisted his right knee just after sinking his 16th point. When he went to the bench, so did GC's outside shooting attack.

A lapse in GC alertness in the first minute of the final quarter left with 4:45 left, 50-38. Proffitt returned to sink four quick points before his knee gave way again. First-string guards Roger Mueller and Bechtold were sitting on the Belleville bench with five personals by this time, and the aggressive Warriors slowly chewed into the visitors' lead.

Moore, who did an outstanding defensive job on the Maroons' high-scoring Dave Renn, limiting him to three buckets and sending half a dozen Renn shots right back down the shooter's throat, tipped in a rebound with

## 21 seconds left to pare Belleville's lead to one, 54-53.

The Redmen committed six fouls in the last 20 seconds, including what officials called a "simultaneous foul" with both Larry Lilley and Jim Warren charged with an infraction in the same instant.

Belleville converted only four of 10 shots in the last 30 seconds (and missed 16 in the game), but cleared four straight rebounds under its own bucket to retain possession.

A technical foul on Moore in the wild finish gave Belleville its 57th point and a safe 4-point lead.

## Coming up with the boy who can do the job," he said, "and getting the big play when we need it."

The "big play" Friday included an 18-point effort by forward Larry Lowell, whose average in previous SWC games was 10.7.

For Sullivan it was the pass which went astray here, the momentary defensive lapse there. "You can't make mistakes against us and win," said Turner. Granite City discovered the truth in that statement Friday.

The score by quarters: Belleville 11 15 19 57—72  
Granite City 14 8 12 19—53

## Varsity scoring: Granite City

Proffitt 20, Moore 18, Lilley 10, Wortham 5, Noblin 2, Warren 2, Cant 0, Hiles 0, Papp 0, Brink 0, Hoffman 0, Belleville—Jewett 18, Renn 13, Bechtold 9, Del German 8, Goodwin 7, Mueller 2, Les Land 0, Steve Smith 0.

Granite City's jayvees came from behind in the fourth period in the final eight minutes. Coach Bill Ohlendorf pulled his regulars with 2 1/2 minutes left and the five in the last quarter.

For the first time this season, Venice failed to place a player in the final eight minutes. Coach Bill Ohlendorf pulled his regulars with 2 1/2 minutes left and the five in the last quarter.

Defensively, we didn't look bad," he said. "But we moved the ball poorly on offense, didn't get many open shots and passed up some of them when we did get them."

## Marquette Too Much For Lincoln, 67-50

"The best ball club I've seen at Marquette," according to Venice Lincoln coach Stan Lynch, handed the Warriors their 11th loss in 14 games this season Saturday night at Marquette gym, 67-50.

In what was regarded as a preview of the district tournament in Venice next month, the Explorers grabbed an early 15-3 lead and were never in jeopardy by Lincoln, although the Venice school staged one of its patented point splurges in the third quarter.

"I'm not sure now that we'll reach the district finals," Lynch said today. His club has won the district title for six straight years, but the 3-11 team record is also the poorest during any of those seasons.

The Rams came back to trail by eight at halftime, 36-21, and plunked in eight straight points for a 33-33 tie before Marquette solved the Lincoln press and regained the lead at quarter's end, 48-37.

The Explorers, whose 9-3 record will make them a strong choice in the Venice district, got excellent scoring balance as six players contributed eight or more points each.

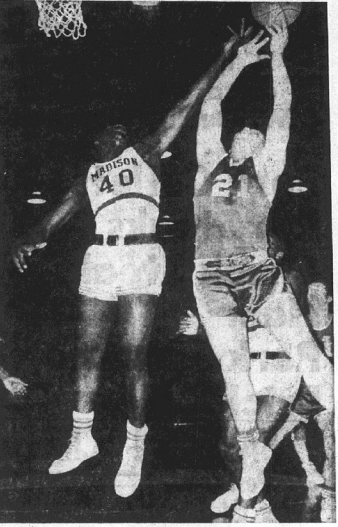

Wooten Gets 20  
Forward Franklin Wooten topped his previous scoring high and led Lincoln with 20 points. Guard Tommy Turner, just recovered from a bout with pneumonia, scored 12 in a part-time role. "He's still weak," said Lynch. Billie Hater was the third player in double figures for the Rams with 14.

Lincoln's junior varsity, 14 players seeing action, ran away with the preliminary contest, 43-17. Willie Gary, Rich Jackson and Percy Dillman led the Explorers each for the winners in this one.

The Rams will be at home tomorrow at 8:15 p.m. to a St. Louis Sumner troupe which clobbered Lincoln in St. Louis in December, 73-39.

Saturday's varsity scoring: Lincoln—Hatter 14, Wooten 20, Alvin 2, Calvin Dixon 2, Virgil Alford 0, Wilfred Taylor 0, Percy Dillman 0; Marquette—Larry Bellin 14, Jim Jackson 13, John Maloney 12, Len McConnel 8, Tom Tuel 8, John Baker 8, Tom Clancy 4.

**BASKETBALL BALLET.** Clint Robinson (40) of Madison and Burton Bruce (21) of Cahokia soar above the floor Friday night in Madison in their attempts to claim a rebound in Midwestern Conference game won by the Comanches, 50-41. Win enabled Cahokia to move into first place ahead of the Trojans, who suffered their first MWC loss.

Madison, hitting only two of 11 first-quarter shots, stalked Cahokia to an 11-3 lead in the first period and then roared back in front 19-13 with two minutes left until halftime.

But the Trojans turned the ball over twice and failed to solve Cahokia's in-bound play, until the Comanche basket near halftime, and the Comanches took advantage of the lapse to regain the lead, 23-19, at intermission.

The press, which we've worked against in practice all week, said, "but we can't," remarked Lee, although Cahokia appeared rattled by it in the third period and managed just four points while Madison was scoring 10 to again regain the lead.

The Trojans clung to their slim advantage until Bell committed his fifth personal. He left with the home forces ahead, 38-36. Then big (6-6) Larry Lentz, held to four points in three quarters, went to work as Madison was forced out of its zone defense into a man-for-man attack.

Lentz finished with 14 as Cahokia ran to a 43-point final period, scoring 10 markers in the final 90 seconds.

Bell, held to 10 points when Cahokia downed MHS in the O'Fallon tourney, again failed to get his average (a whopping 20.8) and finished with 13.

**Defense Is Difference**  
"Our defense of Bell, and overall throughout the game was the big factor," Coach Lee commented. "We've got one of the best in the area and it stood up. It had to be. We've been shooting over 50% from the field in our conference games, and finished at just 40% tonight."

"And our defense had some things to do with that," said McClanahan. "We didn't get many cheap baskets, but neither did they."

Both clubs blew half a dozen plays in the tense game, "our poorest from field this year," according to McClanahan.

Madison hit just 28.6% from the field in the first half, improved to only 30% for the night. Against the latter Comanches, they shot 41.7%.

Without it, they still stayed in the game. With it, they might have won.

The varsity scoring: Madison—Bell 13, Hayes Wright 10, Tom Bell 8, Clint Robinson 8, Gary Skinner 4, Tom Lubak 1, Gerald Massie 0; Cahokia—Lentz 14, Burton Bruce 12, Tom McBride 11, Jim Thomas 7, Bill Schmidt 4, Tom Stein 2.

Cahokia 11 11 13 17—41

## Drop Crucial Game To Cahokia, 50-41; 1st League Setback

Cahokia passed its stiffest test of the current Midwestern Conference basketball season in Madison Friday night, downing a shorter Trojan five which had the Comanches on the ropes midway through the first quarter but could not match the visitors' experience in the closing seconds.

The 50-41 win for Earl Lee's club boosted Cahokia to the top of the MWC heap with a 3-0 record, and was defending champion Madison's first loss in seven league games this year.

It also broke a 26-game MHS winning streak against MWC opponents.

The Comanches bombed in 10 points in the final minute and 40 seconds of play after Madison had lost standout Cecil Bell on personal fouls.

Ut Bell departed it was anybody's game, with Madison holding a two-point lead entering the final four minutes of action.

Madison will get another shot at the Comanches in Cahokia on Feb. 19. "But this was our chance," MHS Coach Earl McClanahan said afterwards. "I still have no complaints about our team. They really gave it all they had, but Cahokia's experience showed up."

**Saw First Half**

**THIN AIR.** That was all George Moore (52) and Larry Wortham (10) of Granite City grabbed in their effort to block a close-in shot by Belleville's Dave Renn (51) Friday night in a Southwest Conference thriller at the GCHS gym. Moore had more success against Renn than this photo shows. Belleville scored an important 57-53 decision which should help it hold its No. 1 state ranking.

## Tri-Co Basketball Crown Is Won By Venice Grade Team

Venice grade school laid claim to the Tri-County basketball conference championship Thursday night after flattening East Alton 42-9 on the losers' court. Coach Roger Davis used 19 players in the game, which was no contest after Venice pulled away to a 26-4 halftime lead. High-scoring Richard Washington pumped in 22 points for Venice, although he saw only limited action.

Venice stands 11-0 in the Tri-Co loop with only one-place Bethalto remaining on the schedule. Bethalto had a chance to the Venice for the lead by winning tomorrow night, but lost its second conference game against Wood River last week. Beaten once earlier by Venice, Bethalto can hope for no better than a second place finish, one-half game back, even if it should down VGS tomorrow. The game is at 7:30.

Venice now has an 18-2 overall record, and will enter the Tri-Co conference tourney in Jerseyville on Feb. 4. Thursday night, East Alton's "B" team defeated Venice in overtime, 32-28.

## Florisant Falls To Coolidge On Mat

Coolidge junior high school wrestlers went around to the back door Thursday night, gaining a measure of revenge for two losses at the hands of Prather this season. The only sign to defeat Prather this season, 25-17, on the CJHS mats.

Jim Parker (180) and heavy-weight Dewey Bell scored Coolidge's only pins to pull the Braves from 4-0 points in the with two bouts to go. "The kids who lost contributed, too," said Coach Bob Moser, "by their refusal to be pinned." Florissant scored one pin, in the first bout, with Coolidge winning seven of the remaining 11 bouts.

The Braves stunk 8-3 and wrestle Belleville here Tuesday at 7 p.m. Thursday's match results:

135—Bill Murray (F) pinned Randy Roustio, 5-32; 103—Bill Baggett (C) defeated Craig Cosay, 2-4; 112—Mark Duffner (C) defeated Gil Alsmiller, 6-2; 120—John Kozayk (C) defeated Gary Adams, 4-2.

127—Jim Valicoff (C) defeated Dave Whittier, 4-2; 138—Carl Grob (F) defeated Mike Genovese, 8-0; 145—John Mook (F) defeated Gary Eads, 2-0.

154—Don Zankers (F) defeated Frank Crook, 9-0; 165—Bob Hanson (F) defeated Warren Evans, 5-1; 180—Paul Parker (C) pinned Randy Shattles, 3-47; heavy-weight—Dewey Bell (C) pinned Bob Lang, 2-0.

Winners in exhibition bouts by decisions were: Jan Gilcho, Richard Hoshine and Brian Lums of Coolidge. Don Holland scored a pin victory, while Ross Holland and Larry Harris lost decisions.

## Madison JHS Holds 11-3 After Beating Belleville

Madison junior high school's "A" team boasted its record to 11-3 Thursday night, defeating visiting West Hills 18-10. The hosts opened up a 20-14 halftime lead and held it down the stretch.

Steve Shipcoff totaled 17 points and Larry Nelson 10 for Madison, which tackles Central grade school at the Prather gym Monday at 6:30 p.m.

Gary Lusk, 5-6 center on Madison's "B" team, poured in 28 points to pace Madison to a 21-17 win in the preliminary game Thursday. The winners had doubled the score at halftime, 22-11.

## Forfeits Match Games Played In JHS League

The forfeit-filled park district Junior High basketball league season had two more "didn't show" scores added to the record book Friday night, with 8-9th grade league teams St. Joseph's and the Braves being awarded 2-0 wins against St. Elizabeth and the Chiefs, respectively.

In the only games played Friday at the community center, the Flyers were 28-17 winners over St. Joseph's and Sacred Heart tripped the Spartans 40-12 in seventh grade league play.

## Midweek Schedule Is Light One For District's Cagers

District basketball teams slow the pace in weekend competition prior to a heavy weekend schedule which will lead them closer to the beginning of tournament eliminations.

Only 10 games are on tap Tuesday night, and four of these are conference contests. Dupo visits Highland in the Midwestern loop, while Venice gets the chance to play spoiler against first-place Weslita. Aviston is at Bunker Hill, and Worden travels to Breese in Madison-Clinton-Macoupin counties conference activity.

Independent Lincoln of Venice will be at home to powerful Summer of the St. Louis Public league, while Madison's Trojans play host to Jerseyville's Panthers in a pair of non-conference games Thursday night at the park community center.

"Twenty-two games are scheduled on Friday and Saturday nights in the district."

## County MFT Balance, Expenditures Listed

(Special From Springfield)

Madison county's share of the Illinois motor fuel tax fund as of Jan. 1 totaled \$641,374, according to figures just released at Springfield.

At the beginning of 1962, the county fund balance was \$1,162,748. During the year, allocations totaling \$709,451 were added.

County expenditures during 1962 amounted to \$1,230,825. Of this, \$396,137 was for construction, \$31,274 was spent to match federal funds, \$53,373 was for right-of-way, \$116,681 was for engineering, \$42,524 was for maintenance and \$17,833 for miscellaneous expenditures.

## AMSTED Earnings Down In Quarter Ended Dec. 31

AMSTED Industries' net income in the quarter ended Dec. 31, was \$857,202, equal to 31 cents a share, compared with \$1,008,570, or 36 cents a share a year ago, Joseph B. Lanterman, president, announced at the company's 60th annual meeting in Chicago last week.

Sales for the quarter were \$29,008,149 compared with \$25,010,421 a year earlier.

Lanterman told shareholders the sales increase primarily resulted from the acquisition of two pipe companies after the December quarter a year ago—the R. D. Wood Co., a producer of cast iron pressure pipe for water transmission, and What Cheer Clay Products Co., a manufacturer of clay pipe for waste transmission.

The AMSTED president said earnings in the March 31 quarter are expected to show some improvement from the December quarter, although adverse seasonal affects will continue in that period.

A substantial improvement is anticipated in the last six months of the fiscal year, and net income for the entire year ending Sept. 30, 1963, is expected to be as good as 1962, Lanterman said.

At the meeting, shareholders elected William V. Covert, AMSTED vice president, to the company's 12 man board of directors. He succeeds Charles C.

## Airman Barclay Completes Navy Aviation Course

Robert L. Barclay, airman apprentice, USN, son of Mr. and Mrs. F. B. Barclay of 2621 Cleveland blvd., was graduated recently from Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn.

The two-week course covers flight theory, aircraft handling, survival procedures, and firefighting.

Jarchow, retired AMSTED president and chairman, who had served on the board since 1943. Re-elected to the board for three-year terms were George S. Allen, vice-president, Harris Trust and Savings Bank, Graham J. Morgan, president, United States Gypsum Company, and John T. Rettaliant, president, Illinois Institute of Technology.

## Marine Recruiter In New Location

Marine Staff Sgt. Lee Erwin today announced relocation of the Marine Corps recruiting office in Granite City, formerly located in the city hall. The office has been moved to A1's Barber Shop, Niedringhaus avenue and State street. He will be at the new location from 9 a.m. until 3:30 p.m. each Tuesday and Thursday.

Sgt. Erwin said that under a new 120-day delay program, time at home counts toward obligation service, toward time in grade for promotion and toward time for the first pay raise.

"Join now and leave on the day of your choice in February, March, April or May," he commented.

## Candidate Filing Slow For GC City, Twp. Posts

Candidate filing in Granite City is at a standstill with over 60 sets of nominating petitions issued for the 11 city and three township offices to be filled at the April 2 election.

"Looks like everyone is waiting now for the last day," City Clerk A. L. Stevens commented. The last day to file is Feb. 11.

In a week's time, only one candidate showed up to file his petitions. He was Roy "Chicken" Poulos, 2133 Benton street, who will seek the two-year unexpired term in the Third Ward.

On April 2, a superintendent of streets is to be elected city-wide, 10 aldermen are to be named including two for unexpired terms, and three township assistant supervisors are to be elected. Filings have been completed by 19 city candidates and three township candidates.

In the township, the three candidates filed the three assistant supervisor posts are Earl Roach and two incumbents, Robert O. Gaughan and William Webb Jr.

## SIU Enrollment Gains During School Year

Over the first time in history Southern Illinois University's overall student enrollment has increased during the course of a regular school year.

Registrar Robert McGrath today released final winter term enrollment figures showing a grand total of 16,374 students on both the Carbondale and Southern campuses. That is an increase of 131 from a record fall term enrollment.

The jump came on the Carbondale campus, with 11,753 students. The Southern campus totals dropped by only three from the fall term, to 4,621 students.

Overall, SIU's enrollment now has increased by 10,000 in six years.

Historically, SIU—which operates on the quarter system—dropped as much as five to seven per cent between the fall and winter terms. Enrollments began leveling off between terms in the past two years with registration restrictions forcing lower-ranked high school graduates to defer admission to the winter term.

McGrath says the delayed-admission policy does not account entirely for the record increase this quarter. "We experienced a somewhat larger regular entry traffic of former students," he said, "and we may also be exhibiting a somewhat larger regular entry pattern." He said studies of the upswing will be made in the near future.

Highest gains were made by the junior class, up 25% over the same quarter a year ago, and the seniors, up by 18%. Gains in the freshman class were lower of all.

The 16,374 University total is 2152 students more than during the winter quarter. Carbondale Campus enrollment has increased 15% and the Southern campus, 16% in the period.

The totals do not include extension courses 369, University School, 601, and adult education classes, 3670 in the past six months.

## William G. Knipping Succumbs At Age 72

William G. Knipping, 72, of 2328 Edwards street, died at 4:40 p.m. Thursday at St. Elizabeth Hospital, where he had been a patient since suffering a stroke at home last Monday afternoon.

Born in Nameok Township, Mr. Knipping was a lifetime resident of the community. He retired in 1959 as a receiving clerk at the Union Star & Refining Co., where he had been employed almost 40 years.

Mr. Knipping was a member of the St. John United Church of Christ and belonged to Veterans of Foreign Wars Post 1300 and World War I Veteran barracks 34. He served with the U. S. Army in Europe during the first world war.

Survivors include his wife, Desirée, son, August J. Knipping, Edwardsville; and four brothers, Otto and Walter of Granite City, Fred of Freeburg and Louis of South Roxana.

Funeral services were conducted this afternoon at the St. John Church, with interment in Lakeview Memorial Gardens, Belleville.

An obituary notice appears elsewhere in this issue.

## IRS Gives Advice To Students Who Work

Federal income tax information for students who worked last summer and during the holiday season was announced today.

"File your 1962 income tax return as early as you can," District Director of the U. S. Internal Revenue Jay G. Philpott advised today, "and get your W-2 wage slips from your employer and use the card Form 1040A as your return."

"If your total earnings for the year are over \$600, you should file to get a refund of the taxes withheld by your employer, be sure to file, because this is the only way to get the refund that is coming to you."

"If your total earnings for the year are over \$600, then you are required by law to file a return. You will claim your own exemption even though your parents may claim you as a dependent on their return."

The instruction sheet provided with the card Form 1040A has a tax table. You can find your tax by looking in the appropriate column and line showing the amount of your earnings."

## Foot Care Program At Optimist Meeting

Foot care was the central theme of Thursday's meeting of the Granite City Optimist Club, with Dr. Claude Hiles presenting a film titled "Shake Hands With Your Feet."

Plans were discussed for a night meeting this week, with each member to bring an "historic" photo—such as a baby picture—of himself. All pictures are to be flashed on a large screen.

Members were urged to send messages to one of their number, Henry Enns, who is a patient at St. Elizabeth Hospital. Plans for an "Optimist Night" basketball game at Kiel Auditorium in St. Louis Feb. 8 were discussed, along with those for a Valentine party Feb. 14.

Thirty-five members and one guest, Arthur Buerie, attended the meeting, which was held at the Elks Club.

# Hospital Setting New Records With Patient, Emergency Cases In 42nd Year

Record numbers of patients and emergency cases were handled last year by St. Elizabeth Hospital, and already this year, the 42nd anniversary of the Sisters of Divine Providence, is heading for new records.

Just last week an all-time high was set for a daily patient census with 229 in the hospital. The previous top number of patients there on any one day was 203.

In 1962, there were 8433 patients entered at the hospital, an increase of nearly a thousand over the 7508 in 1961.

**54 Emergencies A Day**

Also last year, an average of nearly 34 emergency cases a day were handled in the emergency rooms. The total number was 12,249, only a slight increase over the 12,019 in 1961.

The 1962 statistics of 8433 patients, 1196 new born babies and 12,249 emergency cases reflect the growth of the community in the 42 years since the Sisters took over the operation of the hospital in January 1921.

The statistics for that year were 568 patients, no new born babies and no emergency cases. Changes were noted the next two years, and while there were no births or emergencies recorded in 1922, the number of patients increased to 672. On 1923, the patients increased to 113 and there were 45 births. However, still no emergency cases were handled.

The hospital then was in the old building at 21st and Iowa streets, which since has been razed for a parking lot.

**1929 Building Plan**

Prior to the start of a fund campaign in 1929 for the new older section of the hospital, the number of patients increased to 1217 in 1927, to 1422 in 1928 and to 1710 in 1929. Births those years were 62 in 1927, 90 in 1928 and 110 in 1929. The total building with 125 beds cost \$380,000.

The first emergency cases were handled in 1928 and numbered 269. By 1929, emergencies had increased to 564.

In 1930 there was a drop to 1538 patients, but the number of births increased to 125. The patient census continued to drop in 1931 to 1329 and to 1286 in 1932, but the births continued upward to 129 in 1931 and 144 in 1932.

The trend in patient care began another increase in 1933, go-

**17 SISTERS OF DIVINE PROVIDENCE** at St. Elizabeth Hospital have accumulated 355 years of service to the community. The order began operating the hospital 42 years ago this month. Seated, left to right—Sisters M. Theodore, M. Amanda, M. Stanisla and M. Bonaventura. Standing—Sisters M. Marce, Marie Therese, M. George, M. Cleto, M. Frances M. Adelaide, Mary Benedict, M. Pauline, Hospital Administrator Mary Thomas, Mary Jerome and M. Teresa. Inset, Sister Mary Paul. Not present for the picture was Sister M. Rein-

ing to 1542 and up to 1791 in 1934. Then there was a drop to 1897 in 1935 and another increase to 2069 in 1936.

Births also continued to increase in the thirties, after a drop to 123 in 1933. There were 183 in 1934 and 186 in 1935.

The year 1936 was the first in which patient census topped the 2000 mark. It went to 2069. Since 1936 there have been nothing but increases.

The start of the 1940s saw 2780 patients cared for that year. Births numbered 544.

**New Addition In 1941**

In 1941, with \$115,000 government aid, a five-story addition with 30 beds was added, along with a children's department. The Sisters added \$12,500 to buy equipment, and in May 1944, this annex was opened.

The patient total in 1941 jumped to 3189 along with 622

in births, and by the time the annex was opened, the patient with 5106 and there were 1265 births—a new record. Emergency 1944 numbered 783, dropping cases soared to 3740 and went to 4579 in 1953, when 1279 babies were born and the hospital service reached and topped in 1947, 5115 patients.

The upward spiral of the 1950s, the 1960 mark in 1956, totalings saw 5884 patients treated in 1956. The number of newborn 1953, 1363 babies arrive and 7010 dropped slightly to 1039 in 1947 emergency cases handled.

By 1957 it was evident the area's rapid growth again called for more hospital beds. The hos-

pital Sisters, with the help of a Citizen Advisory Council began an \$800,000 fund drive. Federal Sister Mary Paul and Sister M. assistance amounted to \$544,000. The Ford Foundation gave \$67,000 and the Sisters floated a \$1-Sister M. Teresa, 17, Sister M. 500,000 loan for the latest annex. Theresa, 16, Sister M. Pauline, 15, Sister M. Adelaide, 11, Sister 1491 babies were born at Mary George, seven, Sister Mary St. Elizabeth and the number of Thomas, hospital administrator, emergency cases had soared to three, and Sister Mary Jerome, one.

**5000 Patients In 1952**

It was 1952, when the pa-

The year 1955 saw declines in all categories to 6308 patients, 1422 births and 10,541 emergency cases.

The decrease in patient census and births continued in 1959 to 6228 patients and 1351 births, but emergencies went over the 11,000 mark to 11,007.

The 1960s started another upward climb to 7508 patients, and while births continued downward to 1289, emergency cases showed another gain up to 11,071.

The 1961 statistics were 7508 patients, 1274 babies and 12,019 emergency cases. In 1962, there were 8433 patients, 1196 births and 12,249 emergency cases.

In 1961-62 the hospital added several new departments — inhalation, physical therapy, post-anesthesia recovery and a methods improvement department.

A baby parlor for patients was established, the coffee-gift shop was opened and the new entrance for the emergency department was completed. Also an office for the Employees' Credit Union was opened.

Since February 1962, St. Elizabeth Hospital has affiliated with Olin Vocational school at Alton for practical nurse students. The students receive clinical instruction at the local hospital to complete their training program.

Also, the surgical schedule now includes facilities for nephrectomies (kidney removal) and herniotomies (backbone surgery), bone grafts, chest surgery and dental surgery.

The staff of 17 Sisters of Divine Providence has completed a total of 355 years of service at the local hospital.

The senior sister is M. Rein- fieda with 37 years, followed by Sister M. Amanda with 36, Sister M. Cleto with 35, Sister M. Stanisla with 33, Sister Mary Benedict with 32 and Sister M. Bonaventura with 31 years. Sister M. Theodore with 25. Two with 20 years service are Sister Mary Paul and Sister M. assistance amounting to \$544,000. The Ford Foundation gave \$67,000 and the Sisters floated a \$1-Sister M. Teresa, 17, Sister M. 500,000 loan for the latest annex. Theresa, 16, Sister M. Pauline, 15, Sister M. Adelaide, 11, Sister 1491 babies were born at Mary George, seven, Sister Mary St. Elizabeth and the number of Thomas, hospital administrator, emergency cases had soared to three, and Sister Mary Jerome, one.

## Girl Scout Cookie Sale Kickoff Here Saturday

Girl Scout cookie sale neighborhood chairmen will receive their packets of material Saturday morning in preparation for the annual sale which is to begin in the Quad-Cities Saturday afternoon.

Mrs. Archie Beatty, District Four cookie sale chairman, said the morning in preparation for the annual sale which is to begin in the Quad-Cities Saturday afternoon.

Proceeds from the annual sale will be used to finance Girl Scout activities.

Profits forwarded to the River

Bluffs Council will be used primarily in development of the six council-owned camps. Mrs. Beatty said, so that girls throughout the council will have a variety of sites available for outdoor programs.

Neighborhood chairmen for the annual sale are Mrs. Norma Hillmer, Mrs. Virginia Kessler, Mrs. Otto Willard, Mrs. Mary Sturdivant and Mrs. Velma Farenness.

The sale plan for District Four—the Quad-Cities—will be introduced at a meeting Saturday morning at the Washington theatre. Neighborhood chairmen will receive their packets there.

## Granite City Has MFT Balance Of \$381,550

**Special From Springfield**

The State Highways Division announced last week that Granite City's credit balance of the state motor fuel tax as of Jan. 5 was \$381,550.

Since February 1962, which the state collects on sale of gasoline, then distributes in part to cities, counties and townships.

Granite City MFT expenditures through 1962 totaled \$205,696, the highway office said. This included \$25,343 for construction, \$37,838 for engineering, \$13,295 for municipal indebtedness and \$89,217 for maintenance.

A chart released by Virden E. Staff, chief state highway engineer who succeeded Ralph E. Bartelmeier last year, showed Granite City had a balance of \$387,844 to its credit as of Jan. 1, 1962. Allocations during the year amounted to \$387,247.

**Hearings Postponed**

Hearings for two Granite City Army Depot soldiers were continued Thursday by Police Magistrate, Gasparovic until next Thursday. William C. Davis, 20, charged with having an improper muffler, speeding and having no driver's license. A companion, John C. Cragg, 22, was charged with refusing to obey.

## \$6412 Interest On County Idle Funds

Idle county funds invested in 90-day government notes last week will yield \$6412 in interest if allowed to stand until maturity, County Treasurer George Musso said.

The funds, totaling \$915,000, were invested in U. S. Treasury notes through the Bank of Edwardsville at 2.5 percent interest. Musso said the interest rate, which depends on the market at the time of investment, was higher than expected.

Those funds not needed by the county for another 90 days will be reinvested upon maturity of the current notes, Musso said. Such investments were authorized by the county board of supervisors last month.

## Bi-State Board OKs Transit Agreement

Bi-State Development Agency commissioners Thursday afternoon approved a contract for operation of a unified public transit system to serve the entire metropolitan area.

The Bi-State transit system is expected to go into operation shortly after the agency sells revenue bonds to finance purchase of the 15 privately-owned companies now serving the area.

Operating the unified system will be the Transit Services Corp., a management firm composed of present top officials of the St. Louis Public Service Co. The contract approved Thursday is with Transit Services.

## Alien Registration For Three More Days

Only three days remain in which aliens may register and vote possible fine and deportation, U. S. Immigration and Naturalization Service officials warned today.

Forms on which to submit the names are available at all post offices. They must be completed and turned in by Thursday. John M. Lehmann, district director of the Immigration and Naturalization Service at Chicago, said parents are responsible for submitting reports for alien children under 14 years of age.

## MECCA Seeks Reason For Pollution Lab Location

Area Chambers of Commerce are seeking to learn from federal officials the reason for locating a \$2,500,000 Midwest water pollution control facility at Ann Arbor, Mich.

The officers of MECCA (Metro East Chambers of Commerce Association) point out that the local metropolitan area is ideally located not only geographically but also because of the nearness of the Mississippi, Missouri, Illinois and Ohio rivers.

Answers are expected to letters sent to Sen. Everett M. Dirksen, Paul Douglas, Stuart Symington and Edward V. Long and Representatives Melvin Price, Frank M. Karsten, Thomas H. Lichtenberger, newly-elected MECCA president.

Text of the letter follows: "Recently, the U. S. Public Health Service announced that the new \$2,500,000 Midwest Water Pollution Control Facility which will be built on the University of Michigan campus at Ann Arbor. It was also disclosed that a similar laboratory facility will be built at Duluth, Minn. Newspaper stories at the time of the announcement stated the Ann Arbor location 'was made at the White House.'"

"As you know, the East St. Louis, Tri-Cities and St. Louis Chambers of Commerce submitted site location proposals to the Public Health Service last spring. In December 1962, the

**Errors In Investment  
Credits On Tax Forms**

District Director of Internal Revenue, Jay G. Philpott, said today that taxpayers who are claiming the investment tax credit should carefully review the instructions accompanying the tax forms. Forms 3468 are provided for computing the credit.

A review of some of the early filed returns, Director Philpott said, showed that quite a few errors were being made in claiming the credit. The most common errors are made because the Form 3468 is not completely understood. Errors include offsetting self-employment tax by the credit and claiming a refund of tax credits in cases where no tax liability is disclosed on the return.

Director Philpott emphasized that the credit, properly computed, is a reduction in this year's income tax liability. It cannot be refunded, per se, and it cannot be used to reduce self-employment tax liability.

A discussion of the investment credit and depreciation problem is contained in Document No. 5059, available at Internal Revenue offices at no charge.

### Harshany-Dalton Nuptials

#### Saturday At Sappington, Mo.

Miss Bernadine Dalton, a daughter of Mr. and Mrs. Eugene Dalton of Sappington, Mo., and Gerald Harshany, son of Mr. and Mrs. Paul Harshany, 2428 Cleveland blvd., were married Saturday morning at St. Catherine La Boute Catholic Church in Sappington.

The Rev. Donald T. Dalton of Festus, Mo., a brother of the bride, officiated at the 10 o'clock nuptial mass. The wedding breakfast and reception were held at Bippens Estate in Sappington.

The bride wore a gown of de-luxed satin designed with a beaded bodice and long tapered sleeves. The full skirt terminated in a chapel train. A bouffant veil was caught to the bride's hair with a satin rose and she carried a bouquet of lilies.

The bride's attendants, Mrs. Patricia Hazelhorst, matron of honor, and Mrs. Josephine Dalton, a sister-in-law, bridesmaids, wore identical dresses of ice blue peau de soie with tight bodices and bell-shaped skirts. They carried colonial bouquets of ran-

gerine carnations to match their small flowered hats.

Robert Rutledge of East St. Louis, was best man and Eugene Dalton Jr., the bride's brother, was groomsman. George Kerz of Bloomdale, Mo., and Glenn Dalton, another brother of the bride, served as ushers. Thomas Harshany, the bridegroom's brother, and a cousin, Thomas Holman, were acolytes.

For her daughter's wedding Mrs. Dalton wore a beige brocade dress with matching accessories and an orchid corsage, while Mrs. Harshany, the bridegroom's mother, chose a lime green brocade. Her purse was adorned with tangerine carnations.

Music was furnished by Mrs. Martha Bewley of this city, soloist.

After a wedding trip, the newlyweds will live in St. Louis. Mr. Harshany is on the teaching staff at St. Louis University. His bride, a graduate of St. John Hospital School of Nursing, is employed by a St. Louis physical-therapist.

### CUBS PREPARE FOR SCOUT WEEK EVENTS

Cub Pack Six of the Concordia Lutheran Church, sponsored by the Concordia Ladies Aid, held a monthly pack meeting in the parish hall Friday night.

The meeting opened with presentation of the colors, and all recited the pledge of allegiance and sang "America." Cubmaster Branch announced that the "blue and gold" banquet will be held Feb. 22 at St. John Lutheran Church.

Den mothers, Mrs. Schneider and Mrs. Reuter, were presented with one-year pins. Mark Twain received a gold arrow point and Daryl Anderson received a gold and silver arrow point.

On Feb. 8, the scouts will wear their uniforms to school. Scout Sunday will be Feb. 10. The dens of the Concordia cub pack will have a window display.

Cubmaster Branch announced that on Feb. 14 at 7:30 p.m. a

## Ragan, MBC Squeeze Past 'B' Division Classic Loop Teams

Ragan Lumber got a first-half score from Bowland, but outscored the challengers 24-18 in the final quarter for a 75-68 win Thursday night at Prather Junior high school.

The Classic league leaders were tied 32-32 with Bowland at halftime. Bob Miller hit 26 points and Dave Hrysko 19 for Ragan, while Bowland was led by John Draper with 17 and Glen Sprinkle with 16.

Madison Bowling Club helped make it a perfect night for "A" division teams by nipping Sacred Heart in the first game, 62-58. The MBC eagles were down at halftime by three points. A 16-11 third quarter gave them the needed margin.

Top scorers were Bob Diller with 13 and Bob Fink with 12 for MBC, and Paul Mosby with 17 and Larry Williams with 12 for Sacred Heart, which fell to third place in the "B" division.

The four classic teams which were idle Thursday take the court at Coolidge tonight. West Side AC plays Schlitz at 7 and Plaza Pizza and Ernie & Annie's tangle at 8:15. The Classic league standings:

Team	W	L	T	P
Ragan Lumber	7	0	477	364

## Venice Methodist, Trinity Remain 1-2 In Church League

Venice Methodist and Trinity Tabernacle tightened their grips on first and second places, respectively, in the park district's Church basketball league with Thursday night victories at Coolidge junior high school.

Venice played unbeaten by stopping Nameoki Methodist, 54-35. Steve Wilcox hit 15 points for the winners and Kent Scheibel had 12 for Nameoki, which trailed 27-14 at halftime.

Trinity edged Tri-City Park Tabernacle in the second game, 61-55, although Garland Horn scored 18 and Eldon Johnson 17 for Tri-City. Jim Scherrill topped all basket makers with 19 points for Trinity, a 30-24 leader at intermission.

The 1-2 teams meet in the second game Thursday night at Coolidge, following a contest between St. Joseph's and Tri-City Park. The Church league standings:

Team	W	L	T	P
Venice Methodist	5	0	327	243

## Cuba To Be Topic At SWIU Forum Thursday

Focus on Cuba is the topic for discussion at Southwestern Illinois University forum on Thursday at 8 p.m. in the auditorium at the Altam campus. The forum is open to the public.

Participants include Dr. Alphonse Gonzalez and Noah Lascaz of the SWIU Social Sciences Division, and Dr. W. Winslow Shea of the Humanities Division. Gonzalez will speak on the geography and economy of Cuba, while Lascaz will discuss its internal politics. She will concern himself with morality aspects and international law.

Also participating will be S. D. Lovell, executive officer of the newly-inaugurated General Studies Program at SWIU. The forum is jointly sponsored by general studies and the Fine Arts Division.

According to Dr. Robert Hawkins, a member of the Fine Arts Division and moderator of the Thursday night program, the forum is designed to stimulate public interest in the Cuban problem and to demonstrate what the General Studies Program is trying to do, namely, to bring about a synthesized and concerted multi-disciplinary approach to public problems. At the conclusion of the program, Hawkins said, the audience will be given an opportunity to ask questions.

### LITERARY CLUB TOLD OF EUROPEAN TOUR

Mrs. J. J. Purcell was hostess for the Madison Literary Club Unit 307, held a social meeting Thursday evening, Miss Beas Carr, president, presided.

A donation was made for the Illinois Cottage Park Ridge school for girls under the auspices of the club.

Mrs. Donna Hogan, vice-president in charge of membership, reported on the number of summer memberships used last summer. This is allowed only one time to a family to introduce it to the pool and encourage it to buy stock. She also mentioned the number of shares of stock sold or transferred in 1962.

Mrs. Hogan then gave a short report on activities of the swimming team and its accomplishments during the season. The team won second place in consolation meets and made a fine showing in the state meet in Sterling, Ill., and also at a meet sponsored by the park district.

During the past year, approximately 100 children participated in the swimming program and held practice sessions at the pool only when it did not interfere with regular school activities. Paddlers were hosts to two meets during the season, and the pool will have to be considered, he added. This would mean a possible increase in the dues of each stockholder.

Following the reports, an election was held for seven complete years to a two-year term. Those elected were Hoff, Henry, Colville, Paul Thompson, Al Malotki and Jim Neill.

Those elected to serve on the nominating committee for a one-year term were Jerry Sizemore and Jim Spinks.

The next meeting of the board will be Feb. 11, when the new members will be seated.

### CRADLE SHOWER FOR MRS. BARBARA BRONNBACHER

Mrs. Barbara Bronnbacher was honored with a cradle shower Friday evening in the home of Mrs. Rudolph Wagner, 1042 Lindblvd., given by Mrs. Roselee Bronnbacher and Marilyn and Bonnie Bronnbacher.

The decorations were in keeping with the occasion, with pink across the table and a story in the center of the table. The gifts were placed around the center.

Games were played, and prizes were given to those having the highest scores.

Guests present were Mrs. James Anna Diak, Theresa Walkenbach, Jackie Haug, Elmer Drosch, Margaret Fecurke, Frank Schwarzkopf, Helen Guls, Juanita Yeager, Marie Bronnbacher, Frank Schwarzkopf, Helga Dietrich, Jeannette Landry, Olga Goodrich, Irene Marquardt, Laura Flach, Elsie Flach, Mary Sobol, Dorothy Merla, Toni Mueller and daughter, Patti Ann, June Baumann and J. L. Tempo.

### YOUTH FELLOWSHIP CONFERENCE

A meeting of the World Youth Fellowship of Central Christian churches in this district was held Friday and Saturday in Edwardsville.

The theme for the meeting was "The Realm of East Asia," and the guest speaker was Mr. Ji Du Zynge, who is presently a student at the Altam extension.

A discussion was held on Korea, Japan, China and Hong Kong.

Those attending from the Central Christian Church, Granite City, were Phyllis Young, Brenda Hart, David Greer, Debbie Spangler, Dyna Randall, Lynn Craddock, Barbara and Betty Burns, Mrs. Clay Rush and Rev. James Craddock.

### TROOP COMMITTEE PLANS PROJECTS

An election of officers was held, and those elected were: Mary Ann Connelley, president, Jerry Janney & treasurer, Sharon Manier.

The girls were served cookies and hot chocolate by the leader. Others present were Nancy Barr, Georgia Snider, Claudine Parris, Sharon Ballentine and Debbie Clark. The meeting was closed with "Hugs."

### 250 AT ANNUAL MEET OF CREDIT UNION

The ninth annual meeting of the Nickel Plate Cloverleaf Federal Credit Union, 1933 Third Street, was held at the Madison Recreation Center Thursday evening.

Two hundred and thirty members and guests were in attendance.

A buffet lunch was served and prizes were awarded after the business session, which included elections of officers for the new year.

The credit union, serving 1701 members, surpassed the million dollar mark in its nine years of operation.

Those elected were: president, Wilbur McCracken; treasurer, Richard Peck; secretary, Louise Vaughn; and board members, John Allen, C. O. Parker, George Humphrey, Charles Moerlein and Joe Summers.

### PLAN SCOUT BANQUET

A meeting was held at St. Mary's school by the committees of Cub Scout Pack 47 and Boy Scout Troop 47 Thursday evening to set a tentative date of Sunday, Feb. 24, for the eleventh annual blue and gold banquet.

Parents of the cubs and boys scouts are being requested to meet in the cafeteria of St. Mary's school on Feb. 4 at 7:30 a.m. to discuss complete plans for Scout Sunday Feb. 10. The boys will receive holy communion in a group at the 7:30 mass. All Catholic scouts in the St. Mary's area are welcome to attend mass with the pack or troop Feb. 10.

### NAVY GRADUATE

Joseph Kalkbrenner, son of Mr. and Mrs. Steve Kalkbrenner, 1028 Washington avenue, Madison, was sent to the U.S. Naval Training Station, Chicago, who graduated last week. He is now stationed at Mayport, Fla., on the S.S. Saratoga.

Girl Scout Troop 117 met Thursday after school at the home of the co-leader, Mrs. Thelma Skelly, 1836 Second Street. The meeting was opened with the pledge of allegiance to the flag and the scout promise.

Those taking part in the meeting were Mary Elizabeth Platt, Leslie Skelly, Marian Davis, Linda Brookshire and Donna Davis. During the business period, the girls studied the scout laws.

### Two Fined In Venice Hearings Saturday

Willie Bradley, 34, of 1219 Bissell street, Venice was fined \$25 plus costs of \$15 Saturday on three charges placed against him Dec. 29 by Venice police.

Appearing before Police Magistrate Wesley Edwards, he pleaded guilty to careless driving, carrying a concealed weapon (a revolver) and driving without a license.

Also appearing before Edwards Saturday was Hector Martinez, 28, of 1717 Spruce street, who was fined \$3 plus costs on a speeding charge. He was arrested Jan. 18 at Broadway and Second street.

### Firemen Answer Water Pipe Throwing Alarm

When the alarm station was called about 12:40 p.m. Friday to the home of Arthur Spiff, 1836 Second Street, where a translation caught fire under the kitchen sink, where a small bowl of water was being used to thaw a frozen water line.

Firemen said they tore loose some of the insulation. There was no fire damage reported.

From 3 to 8 p.m. at the Central Christian Church.

Jerry Sizemore, committee chairman, conducted the meeting and announced that proceeds from the supper will be used to purchase tents and camping equipment for scouts.

The next meeting will be held on Feb. 5.

### Execution Of York, Latham Postponed

The Kansas Supreme Court last week postponed the hanging of James Latham and George York, whose seven-murder crime spree in June 1961 included two Madison county killings. It is now set for March 20 instead of next Thursday. The date was changed for "good cause shown," a court announcement related.

On Friday, U. S. Supreme Court Justice Byron White granted a stay of execution pending action by the U. S. high court on an appeal scheduled to be filed. York's mother, Mrs. Horace York of Jacksonville, Fla., last week appealed to Kansas Gov. John Anderson for commutation of the sentence.

## \$25,000 Giveaway Raises Question:

### Who Are the Aldermen Working For?

Who are they working for? Granite City council members spending talents again have been demonstrated—at the expense of the taxpayers.

This time the mayor and nine aldermen saddled taxpayers with \$25,000 of totally unnecessary engineering fees in connection with the proposed pollution treatment plant.

Awarding of the contract to an out-of-town firm took place after a series of closed-door meetings. Not only was the public excluded, but even some of the aldermen were kept in the dark.

Conflicting stories added to the confusion. Committee Chairman Vesci said the extra \$25,000 was needed for plans and specifications; City Engineer Johnston said it was for sewage tests. Engineer Johnston said the tests were ordered by the state health department; a state official said this was justification.

Some justice can be made for the extra expense because the engineering firm, Chester Engineers, Inc., of Pittsburgh, is unaffiliated with Granite City's sewers and pollution problems. But the aldermen had it within their power to employ a local firm that was completely familiar with the program.

The kindest thing that can be said for the aldermen who needlessly approved the \$25,000 in extra fees is that they are completely lacking in normal business judgment and in concern for their constituents. If not the people of their wards and city, who are they working for?

Millions of dollars of public funds are involved in a pollution treatment plant; it is frightening to contemplate the potential waste of taxpayers' money if the \$25,000 is a sample of what may happen.

It would be well for Granite Cityans to keep in mind the nine aldermen who voted for the \$25,000 giveaway. Six of the nine are running for re-election: Harry W. Custers, Rufus LeMaster, Estil Von Schmitt, Samuel Shackelford, Frank Vesci and Samuel Whitmer. The other three are Casmer Skubish, Steve Basarich and Edmund Bartoski, whose terms run until 1965.

Aldermen who opposed the giveaway are Donald Partney, who is seeking reelection this year, and Ford Johnson, Paul Rutledge and Mrs. Gabrielle Betine. They need and deserve help in making the council responsive to the public interest.

Schmitt, Von Schmitt, Whitmer and Bartoski, Ward Two; LeMaster, Rutledge and Skubish, Ward Four; Nonn and Basarich, Five; Shackelford and Skubish, Six; Betine, Seven; and Vesci and Johnson, Ward Eight.

The millennium will have been reached when children agree with the views of their parents.

## Meteors As Well As Missiles Aimed At Enemy

"We can only hope that when it happens again, someone will not push the panic button and launch a nuclear war." This is the comment of a director of the Smithsonian Astrophysical Observatory, who notes that meteors big enough to resemble nuclear blasts struck the earth twice in this century, both times in Russia—Siberia in 1908 and near Vladivostok in 1948.

Most discussion of a possible "false alarm" has centered on meteorites appearing on radar only a few times. "Mr. Hodge was not a thief; he was an educated man," said a friend.

I feel sorry for him only because he was a good man. He will be paroled for his illness. He violated a sacred trust and almost became our governor. He reached the summit of education.

Mr. Hodge was no ordinary man and no misguided kid when he committed his crime; he was at political and social heights when he did it. Let us not forget that. Nevertheless, I wish him a speedy and complete recovery from his illness.

JOE KUENHOFER  
Rural Route One

screens as planes or missiles. The newest possibility to be cited — an apparent "hit" — is especially thought-provoking, due to the location of both prevailing impact points.

Will lightning strike a third time? As Dr. Fred Whipple points out, "There is no way of tracking a meteor. There is no advance notice of one crashing to the earth. No one knows when the next one will hit."

## Assessment Spending Affects Governmental Spending Plans

Renewed warning of sharp changes in the next quadrennial real estate assessments has been given by the Granite City township assessor, whose comments must be taken at face value. He is in a position to carry out the plans he has announced.

While offset partially by new construction, cuts of up to 20% in some assessment categories indicate that the township valuation total will decrease. Alerted well in advance, taxing bodies whose boundaries include all or part of Granite City township will need to consider the prospect of lower assessment in planning their future spending.

## Ban Should Remain On Levee Non-Referendum Bond Issues

The effort to lift the ban on non-referendum levee district bond issues merits no support despite the fact that Namecki township residents could be benefited by the sale of bonds.

There is no assurance, and no real hope, that levee trustees living in St. Clair county would suddenly change their ways and begin diverting a proper share of the funds to Madison county, which pays 41% of the bill. This area never has gotten 41% of the benefits and never will with the way the district is presently constituted.

Even if some pittance would be thrown in this direction, still greater spending would take place to the south, further aggravating the already insulating imbalance. This must not happen.

A fair tale that levee trustees could be trusted to do the right thing would have been hard to believe even before the double-dealing and the blackmail attempt of 1962. Sadder but wiser Granite Cityans now had their fill of being taken for millions of hard-earned dollars. Who can forget the latest example, in which local taxpayers will provide \$850,000 of a \$2,100,000 expenditure to be made entirely in St. Clair county?

Namecki township residents will be better off without such "assistance." The price would be too dear, from the standpoint of both principle and pocketbook.

## County Jail Not Suitable For Sentences, Serving Out Fines

The value to society of punishment for criminals is a well established principle. We have no argument with it.

But it makes little sense to subject persons charged with misdemeanors to confinement far worse than the conditions which felons encounter at state and federal prisons. Yet this occurs regularly at the Madison County Jail.

In many cases, sentences ranging up to a year are ordered at trials in non-record courts. And a \$600 fine for a traffic violation is difficult to consider as anything but an order to spend 120 days behind the county jail bars.

It is tragic to think that some currently leading lives of crime might have taken another turn if they had not been lodged in jail cells next to hoodlums willing to pass along their attitudes, techniques and even specific information on intended future victimization. But county authorities say this happens frequently.

Much of the problem can be avoided by eliminating long stays in the county jail. A visit to the jail would convince most people that nobody should be kept there very long, certainly not for several months or a year.

It seems appropriate to give serious consideration to the new approach being urged by Sheriff Frank Vesci. Referendum courts should be re-tooled to accomplish when long servitude seems merited, and city fines worked out during the day—whether through sweeping streets or polishing city hall bathrooms—also can impress on wrongdoers that crime does not pay.

## SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

**SPARE THE SHOVEL AND SAVE THE HEART**  
Ingredients for a heart attack: One heavy, wet snowfall; a raw wind blowing across the driveway; and one poorly conditioned, middle-aged man laboring furiously with a shovel. Unfortunately, this is a scene that will repeat itself countless times across the chilly plains of Illinois.

Why is this combination so dangerous? First of all, the energy output of a man shoveling snow is approximately the same as if the individual were running eight miles an hour. The over-weight, middle-aged man lacking in physical fitness, this strenuous activity in itself may be sufficient to cause a heart attack or produce the painful symptom called angina pectoris.

Exposure to cold causes the blood vessels to contract, thus the extra effort of walking through snow, burdened by the restrictive weight of the muscles, therefore needs more blood than the partially obstructed coronary arteries can supply. The result is an underrunning of the heart muscle, producing pain in the chest which your answer will be that we in the snow are not working to elect the wrong candidate. It is our own fault that much of our tax money goes

I just don't have time! How long has it been since you have

long that remark?

Or, better still, how long has it been since you've said it?

Unless you're different from most of the people I know, including myself, you've said those words just lately and you say them often. Perhaps too often.

Are you ever ashamed of yourself for your own busy-ness?

Are you ever downright impatient with yourself for your own inactivity with those you ought to love and take time for?

Our city is filled with persons whose time is dedicated to business, social activities and pleasure that they are just out of time when it comes to things that really matter in life.

God, Family, Mankind

What are the things that matter to you?

Relatedness to God, helpfulness to others, and family life.

And while these important matters stand aside and wait,

Don't be like him. Take time to live.

He was too busy for faith, for prayer and worship, for lending a helping hand to others; in short, he was too busy to live really in the highest spiritual sense.

What he thought was living was not living at all. Why he thought was gain turned out to be loss. He was like too many of us.

He was too busy for faith, for prayer and worship, for lending a helping hand to others; in short, he was too busy to live really in the highest spiritual sense.

What he thought was living was not living at all. Why he thought was gain turned out to be loss. He was like too many of us.

## Man Who Was Too Busy

The Bible in Luke 12 tells the tragic story of a man who was too busy.

After he had prospered through the reaping of many good harvests so that all his storehouses and bins were bursting with the produce, he decided to "live a little." He gave himself over to eating, drinking and drinking money.

But in the midst of his holiday, death—which never takes without warning—came and summoned him.

What he thought was living was not living at all. Why he thought was gain turned out to be loss. He was like too many of us.

He was too busy for faith, for prayer and worship, for lending a helping hand to others; in short, he was too busy to live really in the highest spiritual sense.

**Auto Being Parked, Killed**  
Sunday's traffic accident in Granite City started about 12:35 p.m. when three vehicles were involved on Cleveland blvd. The report shows an auto driven by Robert D. Roberts, 20, of 2401 State street, was being parked south by a pickup truck operated by Forrest Chapman, 19, of 1221 Calhoun street. Chapman and Roberts' auto slid on the road and a parked car belonging to Mrs. Philomena E. Colligan, 2153 Cleveland blvd.

At 1:30 p.m. in the 4100 block of Rode avenue, John Petras, 19, of 1730 Maple street, was backing out of a driveway and struck the rear fender of a southbound auto driven by William C. Thorp, 50, of 4122 Melrose avenue.

Less than 30 minutes later, auto driven by Carol Mower, 2215 Washington avenue, and Russell Terry, 27, of 2702 Emme street, collided at 20th street and Madison avenue. Police said the Mower auto was being driven out of a service station, while Terry was going west on 20th street and was unable to stop.

Also early in the afternoon, in the 1900 block of Delmar avenue, Thomas W. Carney, 19, of 435 Logan street, was making a right turn and his auto skidded into a parked auto belonging to Bonnie Corlier, 2606 Tropes street.

### Two-Auto Crash

The last accident on Sunday was reported at 5 p.m. and involved auto driven by Carol Mower, 2215 Washington avenue, and Russell Terry, 27, of 2702 Emme street, collided at 20th street and Madison avenue. Police said the Mower auto was being driven out of a service station, while Terry was going west on 20th street and was unable to stop.

Also early in the afternoon, in the 1900 block of Delmar avenue, Thomas W. Carney, 19, of 435 Logan street, was making a right turn and his auto skidded into a parked auto belonging to Bonnie Corlier, 2606 Tropes street.

**Hit-Run Accident**  
A hit-run accident in which a parked auto belonging to Larry Withers, 2013 Bryan avenue, was damaged was reported at 1:30 p.m. The car was parked at 21st street and Edison street.

At Johnson and Namekoi roads, autos driven by Charles Drennan, 57, of 2882 Washington avenue, who was going north, and Nathaniel Davis, 51, of 2130 Johnson road, who was traveling west, collided at the intersection.

Just 30 minutes later at 12:45 p.m. there was an accident on Edwards street near August street. Police said James R. Moore, 38, of 261 E. 26th street, operating a bakery truck, was traveling on August street, when an auto driven by Wayne Hensling was charged with failure to yield right-of-way.

Another hit-run accident was reported at 2:30 p.m. in the 1700 block of Spruce street, where a parked auto owned by Joe M. Mendicino, 1647 Olive street, was damaged.

Shortly before 9 p.m. a crash occurred on Madison avenue at 23rd street. Police said Elton B. Hogan, 40, of 3000 Wayne avenue, was driving east on 23rd street, while an auto driven by Jerry W. Braswell, 17, of 2705 Swan drive, was traveling west and making a left turn. Hogan was charged with reckless driving, refusing to obey an officer and profanity.

### Passing Autos Collide

Autos approaching from opposite directions attempted to pass each other and a parked auto at the same time about 8:15 p.m. Thursday in the 2600 block of Benton street. The moving vehicles collided, with minor damage. The drivers were Clyde A. Pavier, 50, of 2138 Edison avenue, and Roy J. Clements, 51, of 2911 Oregon avenue.

the auto with him. They sped away together. The third person involved was waiting in the auto.

**\$50 Armed Robbery**  
Mrs. Julia Wachtel, operator of the A&K confectionery store, 2501 E. 10th street, was robbed of about \$50 Thursday night. She told police two youths, approximately 18 and 20 years of age, their lower faces masked with white handkerchiefs, entered her store about 10:35 p.m. One was armed with a pistol.

The two drew attention to themselves a few minutes earlier when they were noticed loitering in front of the Napier-Hood Beauty shop. Mrs. Dana Richey, who operates the shop, became suspicious and went to her front door to look at it. Her shop is next door to the confectionery, in the building. The boys walked away.

**Waiting To Close Store**  
Mrs. Wachtel said she was waiting to close her store when she was approached by the two boys. The older one said, "This is a stick-up."

The younger one looked up and saw the masked pair. "I thought at first they were carrying the handkerchiefs to keep the cold from their faces," she said. "Then the youth repeated the words 'This is a stick-up.'"

"What do you want me to do," she asked.

"I want your money," said the older youth.

"Do you want to get it your way or do you want it for me?" the woman asked.

The youth reached over and pulled the handkerchief from her register which, the woman said, was worth \$100.

**Gun 18 Inches From Face**  
The gun was only about 18 inches from her face, she recalled, "but I didn't get upset."

The youth stuffed the money in his pocket and backed to the door. He told the younger one to get the money. The boy took about \$4 in change, refusing a paper bag Mrs. Wachtel offered him.

Before leaving, the older boy ripped the receiver from a pay telephone. The woman was cautioned not to cry out as there was a "man outside watching."

The woman heard them get out toward Madison in an auto with a noisy muffler.

Mrs. Wachtel furnished an excellent description of the two to the police. Both were blond, well-dressed and well-dressed. She said the hair of the older one was darker than that of his companion.

The woman believes the younger boy bungled a hold-up attempt at her store last July. She said he resembled a youth who came in dressed in a dark suit and a dark suit.

**Cafe Burglared**  
Eating utensils were used to pry open a juke box at the Rio Cafe, 1207 E. 10th street, Saturday night. The juke box was ransacked. Police said the burglar apparently got in through an open back door.

There was no sign of forced entry. An undetermined amount of change was taken from the juke box.

Coin boxes were pried off several crashing machines at the Speed Laid laundromat, 847 Niedringhaus avenue. It was reported this morning. Police said the machine was ransacked and all had been rifled of its contents. The amount of money taken was not determined.

A temporary door cover on a broken pane of glass was forced open at Claude's Grill, 927 Niedringhaus avenue, Saturday night, police said. A cigaret machine, pinball machine and juke box were broken open and \$3 to \$4 stolen. Also missing were several packs of chewing gum.

**\$83 Power Saw Taken**  
Charles Luechmann, 4512 Edwardsville road, notified deputies Friday afternoon that an eight-inch power saw valued at \$83 was stolen from a house he was building on Old Alton road. Police said a pay telephone was torn from the wall of a south of Benton street.

A thief stole the money box and receiver were stolen. A thief stole the money box and receiver were stolen. A thief stole the money box and receiver were stolen.

**Battery Stolen**  
Thieves clipped the cables and stole the battery from the station wagon of J. V. Fitzhugh, 2031 Illinois avenue, Friday night or Saturday morning, according to Granite City police. The vehicle was parked at the owner's home.

Charles Batson, 2117 Aubrey avenue, told police Sunday his 30-gallon trash can had been stolen from in front of his home.

## Women's Judo Champions Conduct Clinic For Girls

A co-ed, 21, and her 40-year-old mother conducted a clinic Friday night at the YMCA for young girls studying judo.

The mother and daughter team, Mrs. Phyllis Harper, a national judo champion, and her daughter, Stephanie, who is a national judo champion, conducted the clinic.

The clinic was held in conjunction with the judo-karate tournament held Saturday and Sunday at Washington university and in which the Granite City judo club's men's team won high honors.

**"Gentleness Practice"**  
The Harpers taught the Granite City girls "excellent" and commended them for the high spirit in the club. Women do not compete in judo in public. While artistic forms are practiced by women judokas and the sport is studied for self-defense, the care is taken not to create a "lady wrestler" image. The sport is a study of "gentle practice" in which an opponent's strength is actually used.

Mrs. Harper is the wife of Dr. Paul V. Harper, a surgeon who lives in Granite City. Officially, Dr. Harper is an accomplished judo expert, too, having won a black belt degree in the black belt ranks.

There is disagreement between the Harpers women as to who is the champion in judo. While the Harpers women are judokas of the United States and Canada, Stephanie won the title three years ago in a competition held in Toronto, Canada. Officially, she has not been defeated since, but insists her mother is now champion for pinning her two years ago in a Chicago match.

Mrs. Harper claims the match did not count because her daughter still is the officially recognized champion.

According to Mrs. Harper, she is better than her daughter in mat work, but inferior in throws. She was thrown by her daughter in the Chicago match, she said, but managed to pin her on foot and a half away from my face," she recalled, "but I didn't get upset."

The youth stuffed the money in his pocket and backed to the door. He told the younger one to get the money. The boy took about \$4 in change, refusing a paper bag Mrs. Wachtel offered him.

### Board, Teachers

Porter, assistant to national AFT President Carl Mege, Howard Hursey, national AFT representative for Illinois; Oscar Wilde, new AFT state executive director; and Paul Woods, former state director named to the staff of State Dept. of Public Instruction Ray Stupp.

Mrs. Bjorkman said a letter will be sent to the school board after her committee meets.

Present pay ranges from \$522 to \$833, and the local's latest request has been estimated at a total extra cost of \$640,000 for this year and next year. The board voted last week to offer \$22 more this year and \$16 more in 1963-64, adding that the estimated two-year cost of \$287,650 is the "total amount of money the board will offer."

"But the board and its negotiating committee refuse to consider this excess money and continue to state that the state's inability of funds limits their offer. The board and its negotiating committee also states that the going area pay limits their salary proposals."

"But the teacher in Granite City is paid \$1000 per year less than a teacher in Webster Groves, \$1625 less per year less than a teacher in University City, \$650 per year less than a teacher in Clayton, and \$800 per year less than a teacher in St. Louis."

(Editor's note: The comparison with St. Louis appears to be erroneous; figures have not yet been verified with the other three districts listed. Also, Granite City pay is artificially low this year because of the lack of an agreement; the 1961-62 pay schedule is being followed pending a new agreement, which would be retroactive.)

"The teachers of Granite City then do not seem to be paid in accordance with the going area pay, but well under this. Perhaps the board and its negotiating committee uses the going area pay to see how much less they can pay the teachers of Granite City."

**Question Income Uncertainty**  
"Finally, the board and its negotiating committee states that in view of uncertainty of income they can offer no more than they have. But the operating income from taxes in the district for the year are already in the bank and have been since the spring of last year, and the taxes for the next year have already been assessed and fixed."

**No Fringe Benefits**  
In asserting that the \$287,650 is the most that will be offered, the board added that it is with "no fringe benefits except those outlined in working agreements which already have been tentatively approved."

The teacher's public relations committee Saturday gave out a statement commenting on the reasons cited by the board in determining its pay offer.

"The implication that it would be financially impossible for the board to offer any raise in keeping with the professional status of teachers or, for that matter, any skilled trade, because of lack of funds, uncertainty of future income, and wages paid in other areas. Yet, on close examination, each of these statements seem to have curious omissions."

The Local 743 public relations group continued. "The board and its negotiating committee states that availability of funds is a factor in any wage increase and that offers an increase which is, in actuality, a very small amount."

**Says Funds Available**  
"But, when examining the fiscal budget for 1962-63, one finds that there exists an excess of funds in the educational fund, an excess of funds due to under-evaluation of federal aid, National Defense Education Act grants and anticipated tax income; and a contingency fund of \$250,000 to \$300,000 in most school districts, the excess of which could well be used in increasing teacher salaries."

"The board and its negotiating committee refuse to consider this excess money and continue to state that the state's inability of funds limits their offer. The board and its negotiating committee also states that the going area pay limits their salary proposals."

Mrs. Bjorkman said a letter will be sent to the school board after her committee meets.

Present pay ranges from \$522 to \$833, and the local's latest request has been estimated at a total extra cost of \$640,000 for this year and next year. The board voted last week to offer \$22 more this year and \$16 more in 1963-64, adding that the estimated two-year cost of \$287,650 is the "total amount of money the board will offer."

"But the board and its negotiating committee refuse to consider this excess money and continue to state that the state's inability of funds limits their offer. The board and its negotiating committee also states that the going area pay limits their salary proposals."

"But the teacher in Granite City is paid \$1000 per year less than a teacher in Webster Groves, \$1625 less per year less than a teacher in University City, \$650 per year less than a teacher in Clayton, and \$800 per year less than a teacher in St. Louis."

(Editor's note: The comparison with St. Louis appears to be erroneous; figures have not yet been verified with the other three districts listed. Also, Granite City pay is artificially low this year because of the lack of an agreement; the 1961-62 pay schedule is being followed pending a new agreement, which would be retroactive.)

"The teachers of Granite City then do not seem to be paid in accordance with the going area pay, but well under this. Perhaps the board and its negotiating committee uses the going area pay to see how much less they can pay the teachers of Granite City."

**Question Income Uncertainty**  
"Finally, the board and its negotiating committee states that in view of uncertainty of income they can offer no more than they have. But the operating income from taxes in the district for the year are already in the bank and have been since the spring of last year, and the taxes for the next year have already been assessed and fixed."

**No Fringe Benefits**  
In asserting that the \$287,650 is the most that will be offered, the board added that it is with "no fringe benefits except those outlined in working agreements which already have been tentatively approved."

The teacher's public relations committee Saturday gave out a statement commenting on the reasons cited by the board in determining its pay offer.

"The implication that it would be financially impossible for the board to offer any raise in keeping with the professional status of teachers or, for that matter, any skilled trade, because of lack of funds, uncertainty of future income, and wages paid in other areas. Yet, on close examination, each of these statements seem to have curious omissions."

The Local 743 public relations group continued. "The board and its negotiating committee states that availability of funds is a factor in any wage increase and that offers an increase which is, in actuality, a very small amount."

**Says Funds Available**  
"But, when examining the fiscal budget for 1962-63, one finds that there exists an excess of funds in the educational fund, an excess of funds due to under-evaluation of federal aid, National Defense Education Act grants and anticipated tax income; and a contingency fund of \$250,000 to \$300,000 in most school districts, the excess of which could well be used in increasing teacher salaries."

"The board and its negotiating committee refuse to consider this excess money and continue to state that the state's inability of funds limits their offer. The board and its negotiating committee also states that the going area pay limits their salary proposals."
